BROCHURE

Welcome Message

Dear Colleagues and Friends,

It is a moment of great pride for the orthopaedic fraternity in India as **AFFASCON 2027** is set to be hosted in India, bringing the **11th Asian Federation of Foot and Ankle Congress** to the vibrant city of Kolkata from **10th to 13th November 2027** at the prestigious Biswa Bangla Convention Centre.

The Asian Federation of Foot and Ankle Congress has evolved into one of the most respected scientific platforms in the region, bringing together leading experts, innovators, and young surgeons dedicated to advancing the field of foot and ankle surgery. AFFAS 2027 will continue this proud tradition by welcoming an outstanding international faculty and delegates from across Asia and around the world to share knowledge, experience, and innovation.

India has long been recognised for its remarkable contributions to the field of orthopaedics. Indian orthopaedic surgeons have played a significant role in advancing surgical techniques, clinical research, and academic training, while delivering high-quality and cost-effective care to one of the world's largest and most diverse patient populations. Hosting AFFAS 2027 reflects the growing global recognition of India's academic leadership and the dynamic progress of foot and ankle surgery in the region.

The scientific programme will be thoughtfully designed to provide a stimulating environment for learning and collaboration. Through distinguished keynote lectures, symposia, expert panel discussions, instructional courses, and high-quality free paper presentations, the conference will showcase the latest advances, emerging technologies, and evolving surgical strategies shaping the future of foot and ankle care.

Equally inspiring is the setting of this conference—Kolkata, a city where tradition meets intellectual brilliance. Known as the cultural capital of India, Kolkata has a long legacy of scholarship, medical excellence, art, literature, and warm hospitality. From its historic landmarks and vibrant streets to its celebrated cuisine and cultural heritage, the city offers a unique experience that will make your visit both enriching and memorable.

As Asia continues to shape the future of orthopaedic innovation, AFFAS 2027 aims to serve as a meeting ground where global expertise, regional insights, and collaborative ideas converge to inspire the next era of foot and ankle surgery.

On behalf of the Organising Committee, we extend our warmest invitation to join us in Kolkata for four days of exceptional science, meaningful collaboration, and memorable experiences.

We look forward to welcoming you to AFFAS 2027 in India.

Warm regards,
Organising Committee
AFFAS 2027

Message From The Desk of Past President

Professor Jin Woo Lee

Department of Orthopedic Surgery,
Yonsei University College of Medicine

As the Immediate Past President of the International Federation of Foot & Ankle Societies (IFFAS), I warmly encourage all colleagues and friends in the foot & ankle community to join the 2027 Asian Federation of Foot & Ankle Societies Meeting in Kolkata, India. This meeting will be an excellent opportunity to strengthen our academic collaboration, share innovative ideas, and further advance foot & ankle surgery across Asia and beyond. I look forward to seeing many of you in Kolkata for what promises to be a truly memorable and inspiring gathering.

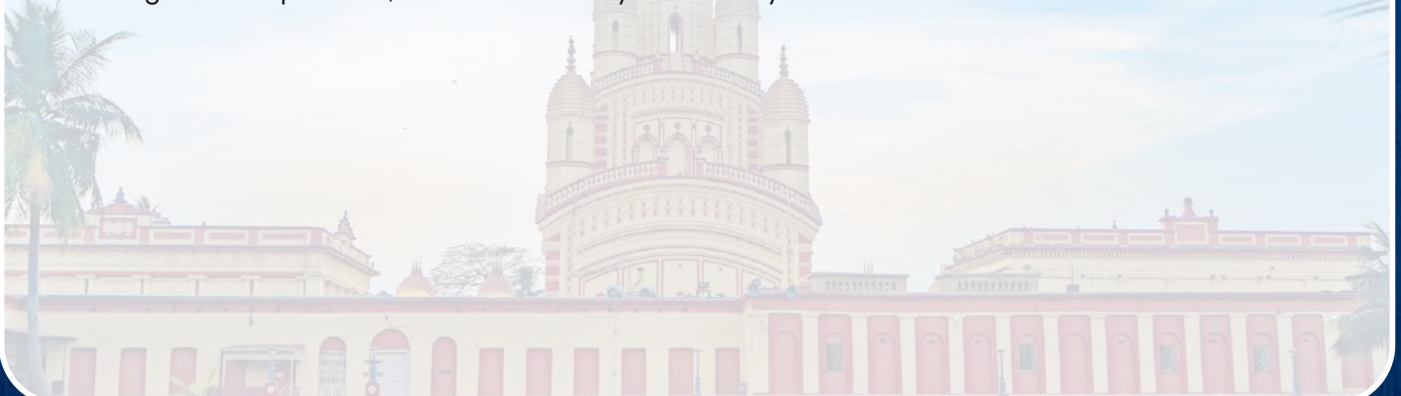

Message From The Desk of Past President

Dr. Yasuhito Tanaka MD, PhD

Past President of Asian Federation Foot and Ankle Surgeons (AFFAS)
Professor Emeritus, Nara Medical University
The Director of the Foot Disease Center
Social Medical Corporation Ishinkai Yao General Hospital

Congratulations to the Indian Foot and Ankle Society (IFAS) on hosting the 11th Annual Meeting of the Asian Federation of Foot and Ankle Surgeons (AFFAS) in Kolkata, India, in 2027. Professor Sureshwar Pandey has organized the 3rd Asian Symposium on Foot Surgery in Patna, India, in 1998 which is one of the predecessors of AFFAS. This will be the first meeting since AFFAS was established. Kolkata is one of India's most representative cities, boasting a long history and rich culture. I believe it is highly meaningful that foot and ankle surgeons from across Asia will gather there to deepen their knowledge and strengthen their friendships. As a member federation of the International Federation of Foot and Ankle Societies (IFFAS), AFFAS has played a significant role in advancing the field of foot and ankle surgery throughout Asia. Having previously served as President of AFFAS, I am truly delighted to witness the society's steady growth through academic exchange and friendship across national borders. I sincerely hope that this meeting will provide a fruitful opportunity for participants to share their experiences and knowledge, further advancing foot and ankle surgery throughout Asia. I would also like to express my deepest gratitude to Dr. Rajesh Simon, Dr. Abhijit Bandyopadhyay, and all members of the organizing committee for their dedicated efforts. I am confident that the meeting will be a great success. I also hope that every participant's stay in Kolkata will be an unforgettable experience, both academically and socially.

AFFASCON 2027, KOLKATA

11th Asian Federation of Foot And Ankle Congress
